**MARRIAGE TIP OF THE MONTH**

There is much written these days about the positive effects on people, emotionally, mentally and physically, when they learn to develop an attitude of gratitude. This is true for marriage as well. When we learn to see our spouses as those, we have a high regard for, we look at our spouse with a different set of eyes. We place great value in their attributes, those things they bring to the family and to us, and we learn to find moments every day of thankfulness for their gifts and presence in our lives. Life is about choices, choose gratitude for your spouse (on purpose) and life will be so much happier for both of you. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250)
